## Planning to call the Nokia Benefits Resource Center? Have your phone personal identification number (PIN) ready!

To access your personalized benefits information or to enroll by phone, you will need your phone PIN. **If you have forgotten your PIN, call the Nokia Benefits Resource Center as soon as possible to request a new one.**

- If your preferred telephone number — home or mobile — is already on file with the YBR website, a one-time access code (temporary PIN) will be provided to you by telephone or text message, as applicable, so you can quickly reset your PIN.<sup>1,2</sup> **We strongly recommend that you add a mobile phone number to your personal information on file to take advantage of text messaging and additional security capabilities.<sup>1</sup>**
- If your preferred phone number is not on file, you will need to request that a temporary PIN be sent to you by US Postal Service mail.<sup>2</sup> **It may take up to 10 days to receive your temporary PIN through the mail.**

**Tip: Do not wait until you need your PIN to add your preferred phone number to your personal information on file.** If you have not done so already, log on to the YBR website today, select the profile icon (👤) at the top right of the page and then “Personal Information,” and enter your preferred phone number where indicated.

<sup>1</sup>Standard text message rates apply.

<sup>2</sup>For security purposes, access codes cannot be sent via email.

## New retiree dental plan claims administrator: MetLife will replace Aetna

Effective January 1, 2026, MetLife will replace Aetna as the dental claims administrator for the Traditional option. If you remain enrolled or newly enroll in Nokia retiree medical and dental coverage for 2026, your dental coverage will be provided through the MetLife Traditional option as of January 1, 2026. Your coverage through Aetna will end on December 31, 2025.

The MetLife Traditional option is available in all home ZIP codes, and there is no provider network. You may visit any dentist and receive benefits. **The coverage provided under the Traditional option is not changing.** This option pays 100 percent of reasonable and customary (R&C) charges for most covered diagnostic and preventive services. Other covered expenses are paid based on a geographic schedule.

**Please note:** *The Nokia Dental Expense Plan For Retired Employees Summary Plan Description – Former Represented Occupational Employees January 2025*, which is found at [www.benefitanswersplus.com](http://www.benefitanswersplus.com), is modified as follows:

- Section K, “Important Contacts,” is modified to reflect contact information for the new claims administrator. As so modified, the first entry shall read as follows:

Contact/Service Provided	Address/Phone/Online
<p><b>Claims Administrator (MetLife)</b></p> <p>Download or request claim forms, check the status of your claim and obtain other general information on the Traditional Option coverage.</p>	<p><b>Online:</b> Through the MetLife website at: <a href="http://www.metlife.com/mybenefits">www.metlife.com/mybenefits</a>, 24 hours a day, seven days a week. (To sign in, use the organization name “US-Nokia” and follow the onscreen prompts.)</p> <p><b>By Phone:</b> MetLife Dental Customer Service at 1-888-262-4876. The TDD number is 1-888-638-4863.</p> <p><b>By Mail:</b> MetLife Dental Claims P.O. Box 981282 El Paso, TX 79998-1282</p>

- Section L, “Other Important Information About Your Benefits,” is modified to reflect information regarding the new claims administrator. As modified, the below entries in the table entitled “Administrative Information” (pp. 35–36) shall read as follows:

<b>Type of Administration</b>	The Dental Plan is administered by MetLife as named in the Claims Administrator section below. Enrollment and eligibility under the Dental Plan are administered by the Nokia Benefits Resource Center.
<b>Claims Administrator (MetLife)</b>	The Claims Administrator is MetLife. Claims should be submitted to: MetLife Dental Claims P.O. Box 981282 El Paso, TX 79998-1282

- Finally, the definition of Claims Administrator (p. 27) is amended to read:

Claims Administrator: The third-party hired to process claims for benefits under the Plan. See Section K, “Important Contacts,” for information on how to contact the Claims Administrator.

## Dental transition of care

If you or a covered family member is undergoing a course of dental treatment on December 31, 2025, you may qualify for transition of care benefits under MetLife starting January 1, 2026. Guidelines for some of the most common dental services that may be eligible are outlined below.

You may submit the following claims to MetLife for processing:

- **Root canals:** For a tooth opened before January 1, 2026, but completed on or after January 1, 2026.
- **Crowns and bridgework:** For treatment (preparation and impressions) started before January 1, 2026, but placed on or after January 1, 2026.
- **Partial or full dentures:** For final impressions for appliances completed before January 1, 2026, but delivery made on or after January 1, 2026.
- **Orthodontia:** You must include the orthodontia treatment plan when you submit your first claim to MetLife. After that first submission, you may receive benefits beginning January 1, 2026, for services rendered on or after January 1, 2026, up to the lifetime maximum under the Plan.
  - **Keep in mind:** The orthodontic lifetime maximum amounts that you have used under Aetna will be transferred to MetLife. This ensures that the total benefit paid between the two carriers does not exceed the Plan's orthodontic lifetime maximum. MetLife makes all orthodontia reimbursements on a quarterly basis.

### Please note:

- All services remain subject to the Plan's deductible, annual maximums, lifetime maximums and frequency limits.
- Participants enrolled in retiree dental coverage for 2026 will receive an ID card from MetLife by January 1, 2026. The card will contain your MetLife ID number, which you can use for claims and customer service starting January 1, 2026.

## Broad Vaccination Network: Available now through your prescription drug program

If you are enrolled in Nokia's retiree medical coverage, your CVS Caremark prescription drug program offers access to the Broad Vaccination Network, effective June 1, 2025.

You may receive many seasonal (such as flu and COVID-19) and non-seasonal (such as pneumonia, RSV and SHINGRIX) vaccines at no cost share and with no administrative fee through any participating pharmacy, including CVS retail pharmacies, major chains and independents.

For more information, visit [Caremark.com](https://www.caremark.com) or call 1-800-240-9623.

## FOR PARTICIPANTS ELIGIBLE FOR MEDICARE

### If you and/or your covered dependent(s) are denied enrollment in the UnitedHealthcare Group Medicare Advantage (PPO) option

Medicare rules require that your enrollment in the UnitedHealthcare Group Medicare plan be reviewed and approved by the Centers for Medicare & Medicaid Services (CMS). If your enrollment and that of your dependent(s) is denied, **Nokia will send you a letter in mid-February 2026 that includes the reason for the CMS denial and the deadline by when you must resolve the enrollment issue.**

**Note:** The above information does NOT apply to participants and dependents whose enrollment has been previously approved by CMS and are currently enrolled in the UnitedHealthcare Group Medicare Advantage (PPO) option.

Select the profile icon at the top right of the page and then “Manage Communications.” Scroll down to the “Delivery Preference” section to choose your preferred method of delivery (electronically or US Postal Service mail) and verify your contact information. **Please note:**

- > Communications delivered electronically will get to you faster, while communications delivered by mail may take up to 10 days.
- > Your election for receipt of communications on the YBR website will not affect the method of delivery for your annual open enrollment kit. If you would like to have a copy of your annual open enrollment kit mailed to you, please follow the instructions outlined in “If you need a copy of your annual open enrollment kit” on page 8.

# How to enroll

## CHECK YOUR DEFAULT COVERAGE

Your default coverage is the Nokia health and welfare benefits coverage in which you and your covered dependent(s) will be enrolled automatically for 2026 if you do not take any action during the annual open enrollment period.

Because your default coverage for 2026 may, in some cases, be different from your 2025 coverage, **it is your responsibility** to confirm that your 2026 default coverage shown on the YBR website during the annual open enrollment period is the coverage you want for 2026.

**For Medicare-eligible residents of any of the 50 US states, US territories or the District of Columbia only:**

As a reminder, if you (and your Medicare-eligible dependent[s]) are currently enrolled in the Traditional Indemnity (TI) option, **your default coverage for 2026 will be the UnitedHealthcare Group Medicare Advantage (PPO).**

**The TI option is not an electable option for you and your Medicare-eligible dependent(s).**

**Here is how to find your default coverage starting Monday, September 29, 2025.**

**Visit the YBR website at [digital.alight.com/nokia](https://digital.alight.com/nokia).**

- From the home page, select the “Annual Enrollment” tile to go to the “Annual Enrollment” page.
- You will see a personal message prompting you to get started with enrollment.
- Click the blue bar entitled “Go to enrollment” below the message to be taken to the Benefits Summary page.
- Under “Next Year’s Benefits,” you will see a table that displays the coverage and costs that will be effective as of January 1, 2026. This is the default coverage you will receive for 2026 if you do not make any changes during the annual open enrollment period.

**Alternatively, you may call the Nokia Benefits Resource Center at 1-888-232-4111 (TTY 711) to request that a copy of your default coverage record be sent to you.**

- After the welcome message, choose the option for “all other benefit questions.”
- Follow the prompts to authenticate your identity.
- After you hear the “it’s annual enrollment time” message, say “annual enrollment” to reach a representative. You can then request a copy of your default coverage record.

The copy of your default coverage record will be mailed to your address on file within 7 to 10 business days.

**Note:** If you have signed up to receive communications from the Nokia Benefits Resource Center electronically, the copy will be sent to your Secured Participant Mailbox on YBR within one business day.

## If you need a copy of your annual open enrollment kit

The easiest and most convenient way to access the information you need to enroll continues to be through the YBR website at [digital.alight.com/nokia](https://digital.alight.com/nokia) during the annual open enrollment period. However, if you do not have Internet access or you prefer to have a copy of the annual open enrollment kit sent to you, you can make your request through the Nokia Benefits Resource Center. Here is what you need to do:

1. **Starting September 29, 2025**, call the Nokia Benefits Resource Center at 1-888-232-4111 (TTY 711).
2. After the welcome message, choose the option for “all other benefit questions.”
3. Follow the prompts to authenticate your identity.
4. After you hear the “it’s annual enrollment time” message, say “annual enrollment” to reach a representative. You can then request a copy of your annual open enrollment kit.

Your annual open enrollment kit will be mailed to your address on file within 7 to 10 business days. Note that annual open enrollment kits are always sent via US Postal Service mail, even if you have signed up to receive communications from the Nokia Benefits Resource Center electronically.

## HOW TO TAKE ACTION

If you decide to change your default coverage and take action during the annual open enrollment period, do it easily **starting at 9:00 a.m., ET, on Monday, September 29, 2025**:

- Through the YBR website at [digital.alight.com/nokia](https://digital.alight.com/nokia) or via the Alight Mobile app (see page 6), or
- By calling the Nokia Benefits Resource Center.

**Remember: You must take action before Friday, October 10, 2025, at 5:00 p.m., ET. Late enrollments will not be accepted.**

### Do you need to take action?

You may already be enrolled in the right coverage for yourself and your family and may not need to take any action during the annual open enrollment period. However, you will need to take action to:

- Choose coverage other than your default coverage (see “Check your default coverage” on page 7),
- Add<sup>3</sup> or remove dependent(s) from coverage,
- Enroll in the Point of Service (POS) medical option, if the POS option is not shown as an available option on the YBR website and you are eligible to enroll in the POS option, and/or
- Make any other changes to your health and welfare benefits coverage for 2026.

If you do not take action during the annual open enrollment period, you will receive the default coverage shown on the YBR website during the annual open enrollment period.

<sup>3</sup>Make sure your dependents are eligible under the Nokia eligibility rules before you add them to your coverage. You can view eligibility rules on the YBR website. You will be asked to verify the eligibility of the dependent(s) you enroll for coverage.

## USING YBR

Before you begin, make sure you have your User ID and password ready, along with any information — including Social Security number(s) — for any new eligible dependent(s) you may be adding to your coverage. (If necessary, see “Have you forgotten your YBR website User ID and/or password?” on page 10.)

Then, when you are ready to begin, keep in mind these helpful hints:

- > **Set aside enough time** to complete the enrollment process without interruption. After 15 minutes of inactivity on the YBR website, you will automatically be logged off, and any elections made up to that point will not be saved.
- > **The first time you log on from a particular device**, you will be prompted to choose and answer a series of security questions. This will register your device with the YBR website and provide additional protection for your personal information.
- > **Review your dependent(s) on file for each of your benefit plans** — and make any updates or corrections.
- > **Click “Complete Enrollment”** when you are done making your elections or if you must log off the YBR website before completing your elections; otherwise, your elections made up to that point will not be saved. You can log back on and make any additional changes before your enrollment deadline (Friday, October 10, 2025, at 5:00 p.m., ET) even if you have already completed your enrollment.
- > **You may save or print your elections** if you like. To do so, save or print the “Completed Successfully!” page for your records when you are finished taking action.
- > **Log off the YBR website** when you are finished to prevent others from viewing your information. When “You’ve Logged Off” appears on the screen, you will know your information is protected.
- > **Watch for your enrollment confirmation** in your email. If you have a preferred email address on file, a detailed confirmation of enrollment statement will be emailed to you after you have completed your enrollment on YBR. The statement will show all your benefit elections as well as their monthly costs. Be sure to save it for your records.

## Have you forgotten your YBR website User ID and/or password?

If so, go to the YBR website, select “Forgot User ID or Password?” and follow the prompts to get a new one.

If your preferred telephone number — home or mobile — is already on file with the YBR website, a one-time access code will be provided to you by telephone or text message, as applicable. You may also answer your security questions if you have previously completed them. If none of these are on file with YBR, you will need to request that a temporary password be sent to you by US Postal Service mail. **It may take up to 10 days to receive your password through the mail.** (For security purposes, access codes cannot be sent via email.)

**Tip:** If you have not done so already, add your preferred phone number — home or mobile — to your personal information in your YBR website profile today, as described on page 3.

**We strongly recommend that you add a mobile phone number to take advantage of additional security and text messaging capabilities — including the ability to quickly reset a forgotten YBR website User ID and/or password or Nokia Benefits Resource Center phone personal identification number (PIN) using a one-time access code that can be sent to your mobile phone via text message.** Standard text message rates apply.

**Please note:** If you have previously elected electronic delivery of benefit communications, adding your mobile phone number to your personal information on YBR will not affect email delivery of those communications. Benefit communications will continue to be sent to your email address on file.

### REMINDER

When enrolling dependents, please be sure to review the Nokia Dependent Eligibility Rules at [www.benefitanswersplus.com/retired\\_r/ded.html](http://www.benefitanswersplus.com/retired_r/ded.html).

The rules describe who is eligible to be covered under Nokia’s medical and dental plans. With respect to children, the rules include various criteria, including age. As also described in the rules, if you have a child who is covered under the plan(s), is disabled and would otherwise lose coverage under the plans due to no longer satisfying the age limit for coverage, you have the ability to continue coverage beyond the stated age provided certain criteria are met. Among these is that you obtain medical certification of disability and that you start the certification process within 31 days of the date your child loses eligibility under the plan(s) due to age.
